## Chairman's Message

At Aspee Nutan Academy, we are committed to provide not only modern infrastructure, but also, a curriculum designed with interactive classroom. Our school recognizes students as individuals and ensures that they get every opportunity to blossom. Each child's journey through these impressionable years is meaningful, exciting and full of relevant learning. I warmly welcome you and assure that you will enjoy learning at the Academy each day as we believe in the quote by **Alfred Mercier** that **"What we learn with pleasure we never forget."**

– **Mr. Kiran Patel**

## Principal's Message

In a world of relentless evolution, the challenges within education are ever-multiplying. At our academy, we are steadfast in our commitment to the notion that change is the only enduring constant. We actively engage with pioneering philosophies, state-of-the-art teaching methodologies, and best practices to ensure our students benefit from the most comprehensive and impactful educational experiences.

Additionally, we are dedicated to preserving a harmonious balance between academic and co-curricular pursuits, thereby nurturing the holistic development of our students.

# MISSION AND VISSION ✨

## Vision

Aspee Nutan Academy envisions students as global citizens with the latest knowledge, skills, and values required for them to flourish as lifelong learners and achieve success in an evolving world.

## Mission

Aspee Nutan Academy is committed to empowering learners through a holistic approach providing them with the essential skills and mindset to navigate educational and technological landscapes. We cultivate balanced, principled, empathetic, and curious thinkers by fostering a culture of global citizenship and community welfare.

## Next Big Leap

**At Shree Nutan Kelavani Mandal** we continue to push the boundaries of growth and success. In our earnest efforts to cater to the growing needs of our community, we are affiliated to the esteemed CISCE Board. As part of this exercise, we intend to offer our parents and children an upgraded infrastructure, modern teaching methodologies and a holistic learning environment.

**Aspee Nutan Academy** (a CISCE school) has its foundation built on the legacy, quality and success of Shree Nutan Vidya Mandir (SSC English Medium). The institution functions on the ideology of 'Quality Education at Affordable Price'.

**Aspee Nutan Academy** stands to inherit the vast estates of knowledge and expertise from the year 2024 it wrote a new chapter when the management to started the (International Baccalaureate Career-related Program) to offer career programs which will help students in their choice of career and to strive towards excellence in the future world of work .

## Values

We aim to instill the following values as part of the core education at Aspee Nutan Academy.

- a) **Priority to new learning** : At Aspee Nutan Academy, education is our primary focus. Activities that seek and support educational excellence shall be given priority over those that do not. The basic role of teachers is to help children learn new concepts and gain rich and meaningful experiences.
- b) **Quality**: Throughout a student's time at school, the subject of quality and how it relates to school work will be discussed with students where Aspee Nutan Academy challenges them to do their very best. It is not our goal to have students merely completing assignments without attempting to produce a quality product.
- c) **Hard Work**: Creating high quality work is not always easy. Aspee Nutan Academy is committed to ensure that learning is interesting, exciting and fun. At the academy it is our endeavour that students understand that, while learning is not always easy, it is certainly fundamental.

d)**Life-long Learning:** Aspee Nutan Academy recognizes that learning does not begin or end with school. We want students to learn skills that will allow them to continue to direct their own learning. The essence of this is independence and self reliance.

e)**Love of Learning:** Children must love learning, once this is developed, learning and concept attainment becomes a reward. We encourage students to focus on internal rewards and motivations rather than being dependent on external rewards.

f)**Self-esteem:** Aspee Nutan Academy believes that self esteem is built upon competence. We can, and do praise children appropriately, but we do not engage in false praise. We actively assist and encourage children in their journey towards competency. We want them to take pride in what they do well. We also want our students to believe that they can make a difference in the world.

g)**Respect:** Aspee Nutan Academy strives to create a climate of mutual respect among students, parents, staff and community members. Students are expected to show respect to others, and can in turn, expect to be treated with respect by others.

h)**Personal Responsibility:** Aspee Nutan Academy expects students to take personal responsibility for their own learning. We cannot teach them anything if they are determined not to learn. We also expect them to take personal responsibility for their actions and to be willing to accept the consequences.

i) **Responsibility toward Others:** All the member of a community have some or the other responsibilities. We train our students to carry on some tasks with greater opportunities to serve the society. Aspee Nutan Academy wants students to understand the contributions they can make to society and to act responsively.

j) **Role Models:** Aspee Nutan Academy has high expectations from our students. As parents and staff, we are committed to serving as appropriate role models for our students. We thus demonstrate our values to our students on a daily basis in our own behaviour.

k) **Diversity:** As we live in a diverse society. Students need to understand the differences while seeking to find common ground. Students also need to evaluate different opinions and intellectual perspectives. All of this is an integral part of our curriculum.

l) **Continual Improvement:** At Aspee Nutan Academy we measure performance and continually seek opportunities to raise the bar. We acknowledge and recognize efforts, celebrate achievements of benchmark and milestones and strive to get better each day.

## Key Highlights of the School

1. Founded in 1957 with a great pedigree of leaders and educationalists.
2. State-of-the-art sports arena, audio-visual room, computer, science labs, activity and puppet room, music and art room.
3. Consistent performance across academics, sports and extracurricular activities.
4. Affiliated to the CISCE Board from the year 2019.
5. Most students of ICSE secure 80% in their board exams.
6. Topper secured 98.20% at ICSE 2024.
7. Excellent performance at various Interschool events and competitions.
8. 100% SSC result in SSC Board Exams for more than seventeen years in English Medium.
9. First rank all over Maharashtra amongst all Gujarati schools in SSC results
10. Affiliated to International Baccalaureate Career program for Grade XI and XII.

## Our Background

Aspee Nutan Academy traces its roots back to 1957 when it was formed as a charitable public trust known as Shree Nutan Kelavani Mandal by a group of visionary leaders, educationalists and community builders. What started as a small school with a handful of students, has over the years grown into a multi-faceted educational institute.

## Sports

Our students strike a perfect balance in academics and co-curricular. In sports the students have achieved.

1. Various prizes at AISM, MSSA and DSO Tournament and Competitions.
2. Won at the District, State and National Level by participating in various sport events like Javelin Throw, Fencing, Skating, Chess, Carrom, Weight Lifting, Table Tennis, Discus Throw, Shot Put, Volley Ball, Wushu, Boxing, etc.
3. Sports participation in almost all activities and tournaments.

## Extra Curricular Activities

1. Many prizes were received in Elocution, Mono-acting, Science Project, Dramatics, Singing, Sports, Essay Writing, Adult Education Project, Science Play and Teaching Aids at Zonal as well as State Level.
2. Won Best School Award for two consecutive years at the 'P' Ward Science Exhibition.
3. Many prizes won at Mani Bhavan for Group Singing, Mono Acting, etc.

## Facilities:

Facilities which are made available at Aspee Nutan Academy are as follows:

### a. **Counselling & Guidance:**

we belief that each child's needs and abilities are different. Aspee Nutan Academy will thus design interventions for students who need support and remedial care.

**b. Health Check-up:** In today's world, health and safety are the first priorities where children are concerned. School is one of the most important place for promotion of good health and protection. At Aspee Nutan Academy we will have reliable arrangements for ensuring the well-being of all our children.

**c. Security surveillance:** The school gives utmost importance to the security of the students and staff. Hence each nook and corner is covered with Hi-Tech CCTV cameras, Security guards and fire fighting equipments on all floors.

**d. Education Aids:** Aspee Nutan Academy imparts a value based education providing immense opportunities to its students in an intellectually stimulating and a high technologically conscious environment.

**e. Transportation:** School owns buses and have hired dependable contractors who provides transport facilities to pick children from near their homes and drop them at same point at the end of the school day. The school provides transport to students on request. The codes and policies of transport facilities is given at the time of admission. We also have trained lady attendants to take care of the students on board.

## The Child-friendly CISCE Model

**Aspee Nutan Academy** is affiliated to the CISCE board. The CISCE syllabus has a distinct advantage over others. CISCE curriculum prepares the child for higher studies and competitive exams. CISCE's flexibility allows the student to opt for subjects of his/her interest.

CISCE Standards give student an edge over their counterparts in higher studies. They have three language policy: English, Hindi and Marathi.

The board emphasizes on project work that requires the students to explore the subject and write his or her own understanding of it. It is very essential that we move with the times and our decision to follow CISCE curriculum is one such step in this direction. Our Academy also offers skill based education, Robotics and coding program for all students.

# Advantages of Curriculum offered at the Academy

1. Concept learning
2. Project based learning
3. Activity based learning
4. Experiential model of learning
5. Child-centric learning

8. World citizenship
9. Trust and fair play
10. 'Indian Ethos' and value inculcation
11. Diversity and plurality
12. Cultivation of:
  - a. Excellence – The Indian and Global experience and
  - b. Values – Spiritual and cultural (to be the bed rock of educational experience)
13. Strong roots in the national philosophy and sensitive to international culture and practices
14. Researched and structured curriculum
15. Continuous Comprehensive Evaluation

# Pre-Primary: The Years of Wonderment

**“Tell me and I'll forget. Show me and I may not remember. Involve me and I'll understand.”**

Integrated learning is the base of pre-primary education. We encourage kids to explore the joy of learning while they play, thus nurturing them into competent scholars of tomorrow with emphasis on analytical thinking and critical reasoning. The lessons are designed to stimulate their curiosity levels and challenge them and every lesson is just another interesting game for them. Gradually they are introduced to events and taught safety rules, personal hygiene, basic concepts of yoga so as to imbibe disciplinary values. They are given liberty to scribble, draw and have fun in their own creative ways.

## **Primary: The Years of Adventure**

**“You see things and say ‘Why’? But I see things and say ‘Why not’?” – G B Shaw**

The primary curriculum aims at physical, mental, emotional and social development. We aim to encourage and inspire every child to observe, analyze and question.

Various projects are planned on various subjects that bring the students and the teachers together as a team. While making these projects, children acquire hands-on knowledge about their subjects. Several events such as Eclectic, Litterae, Math Pirates, Rf21, LEAP, WORDSWORTH, etc. are organized. We ensure that young minds have something new to look forward to each day.

## **Secondary: The years of Transformation.**

‘Lets transform into a unique embodiment of multiple search and talents’.

The secondary curriculum focuses on training minds to challenges of ICSE curriculum alongside developing skills such as problem solving, developing rationale, opinion and decision making, etc.

We also offer project based learning with critical thinking assessments, activity days, guide and scouts, personality development, etc.

# All work and no play makes Jack a dull boy.

## Co-curricular Activities:

Co-curricular activities are central to developing confidence and providing wholesome education. We provide full encouragement to our students to participate and explore all opportunities that interest them. Students will be able to take part in a wide variety of activities and competition not only for building recreation and relaxation, but also as an aid to educational advancement.

**Sports:** At Aspee Nutan Academy special emphasis is given on sports, as sports is seen as a necessary component for a full and all-round education. We aim to create an awareness of the crucial importance of regular physical activity and fitness, teamwork and a keen positive competitive spirit.

Other Activities: Yoga, Taekwondo, Boxing, Soccer, Basketball, Aerobics, Karate, Skating, Music, Volley Ball, Athletics and Field Trips to various educational and informative places are conducted.

# Infrastructure

**Infrastructure:** At Aspee Nutan Academy the campus and infrastructure is designed to advance and support the holistic development of the children.

**1.Classrooms:** The campus comprises of series of naturally lit, airy classrooms. Indoor and outdoor spaces intersect and flow into each other so that children can learn, draw and paint. Children are engaged with the campus in many ways, their artworks and poems light up the corridors, lobbies and walls and their imaginations that enhances the entire school environment.

**Occupational  
Therapy Room**

**Play Area**

**Pre-Primary  
Classroom**

**Pre-Primary  
Activity Room**

All our classrooms are equipped with smart TVs, computers with broadband internet access connected to central server with thousands of modules on different subjects. The different modules will help making learning engaging and effective.

**2.Laboratories:** Our laboratories are designed to provide hands-on experience to the students to learn a wide range of topics across all classes which include theoretical as well as practical aspects of learning.

a. **Computer Lab:** The school has a huge computer laboratory which is equipped with all latest computers, printers and internet access which enables the students to learn.

b. **Science Lab:** The school has a well equipped science laboratories with state-of-the-art facilities and an exhaustive range of apparatus.

c. **Math Lab:** By using a hands-on approach, active learning strategies and fun interactive activities, the students explore and learn meaningful mathematics in highly stimulating and motivating environment. The mathematics teachers and students use the UTH kit, Abacus, Jodo blocks, fraction kit, the money kit and other aids to make Mathematics more fun.

d. **Language Lab:** Aspee Nutan Academy has a special laboratory – The Language Lab. This is a space that draws the children to the optimal holistic experience they feel when they act with total involvement in the task at hand and gain a sense of pleasure, independent of the results.

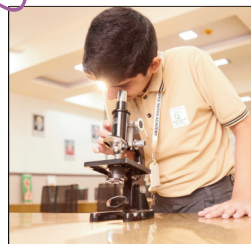

**Chemistry  
Laboratoy**

**Physics  
Laboratory**

**Library**

**Biology  
Laboratory**

**Computer  
Laboratory**

**3.Library:** For further developing the innate potential of our academicians, our school library provides information and ideas that are fundamental to functioning successfully in today's information and knowledge-based society. The school library equips the students with life-long learning skills and develop their imagination, enabling them to live as responsible citizens. The students and teachers both benefit from this resource as it contains books, videos and other resources on a variety of subjects for extensive reference and research.

**Art Room**

**Music Room**

**Audio -Visual  
Room**

**Exam Hall**

**4.Infirmary:** The school has a well-qualified nurse who is available during school hours to provide first-aid facilities in the school. In case the Nurse feels that the student requires the attention of a qualified Doctors, the school will use the services of the Hospital nearby with the consent of the parent. The school infirmary is well-equipped with a medical bed, a wheel chair, nebulizer, oxygen cylinder, etc.

**5.Activity Room:** The vibrant activity room at our school is a dynamic space filled with colorful decor, creative energy, and a variety of engaging resources that inspire students to explore, learn, and express themselves.

**6.Music Room:** The music room at our school is a harmonious sanctuary, designed with perfect acoustic ambience that amplifies the richness of every note, allowing the best sounds to resonate and inspire.

**7.Art Room:** The art room at our school is a haven of creativity, where walls are adorned with vibrant student masterpieces, and every corner is filled with the tools and inspiration needed to bring imagination to life.

**8.Exam and multipurpose Hall:** The Exam and Multipurpose Hall at our school is a versatile, spacious area designed to foster focus during assessments and seamlessly transform into a dynamic venue for a wide range of events and activities.

# Our Teachers

Teacher support and development is considered to be the backbone of any school. Aspee Nutan Academy whole-heartedly acknowledges the role of teachers in shaping the institution. For a teacher to be effective, it is imperative to recognize the factors that permit teachers to perform their roles effectively.

Careful selection of trained teachers is followed by a strong teacher development and support program. A well-designed in-service training program provides opportunities for teachers to:

1. To familiarise them with the National Education Policy 2020 .  
and its implications on school
2. Well informed about the latest research findings in education.
3. Ensure inner self and professional development.
4. Develop interpersonal skills necessary for meaningful interaction with school-age children.
5. Learn from the strengths of experienced teachers in schools in India and abroad.
6. Upgrade their skills and knowledge levels as teachers of an integrated educational curriculum.

**Teachers Training:** “Ideal teachers are those who use themselves as bridges over they invite their students to cross, then having facilities their crossing, joyfully collapse, encouraging them to create bridges of their own.”– Nikos Kazantzakis

In order to address the needs of the teachers, members of the core team regularly conduct training and professional support workshops. In addition, workshops are also conducted by resource persons from accomplished schools of learning and universities of higher education. Intense in-service workshops are conducted around each vacation of the school calendar.

The following trainings are provided to the staff

- 1) POCSO
- 2) POSH
- 3) Innovative teaching Methodologies
- 4) Design training
- 5) Maslow's hierarchy of needs and EQ
- 6) Bloom's taxonomy and learning objectives
- 7) Classroom management & many more...

# Evaluation & Examination

Evaluation is considered as key to understanding and enabling a child's progress. Evaluation is being carried out in conjunction with all three partners – Child, Teacher and Parent.

**Up to primary**, the assessment is carried out through worksheets and projects, where the child is evaluated on all his/her developing skills, equal emphasis is given to all aspects – language, reading, writing, communication, knowledge, application, to name a few.

**In the secondary school**, both internal assessments (class test, schedule test and project work) and external assessments (semester exam at the end of each term)

# Admission

At Aspee Nutan Academy the admission process is simple and transparent. The minimum age a child should attain at the time of admission is defined in the circular given, which is as per the government regulations.

Kindly fill in the Admission form and submit it to the admission officer as per the specified date.

The form should be duly filled and submitted along with proper documents. Admission criteria is mentioned on the school website.
